

Street Art and Fun Fair

May 30 to June 10

Little Hands Street Art Camp

This fantastic two week camp is designed for 18 month-6 year old children.

The children will create their own piece of art to take home, help to repaint our school mural, make signs for fun fair stalls, bake goods to share at the fair, the older children will have stalls and help "sell" their products to friends and much much more.

On the last day of camp, we will have a fun fair and enjoy the yummy goodies we have made during camp.

Individual and group artwork tailored to the ability of the individual child.

With the use of stencils, rollers and help where needed, everyone is able to complete these fun works of art. They get to choose their colours, body shapes, body movement etc. We have lots of fun learning opportunities working out how to make our figures dance or run. The children are so thrilled when they peel back the stencils and see their paintings emerge. The older students can take it to a higher level adding clothes hair etc if they wish to.

Group collage

We are going to get the children to redo our collage wall for us – the last group of children who did it were so thrilled to see their work every time they went out to play. The little ones using their hand prints to make the grass along the bottom and the big boys and girls dressing our characters in fun clothes, hats, scarves, cool hair styles and bringing them to life for us.

Fun Fair

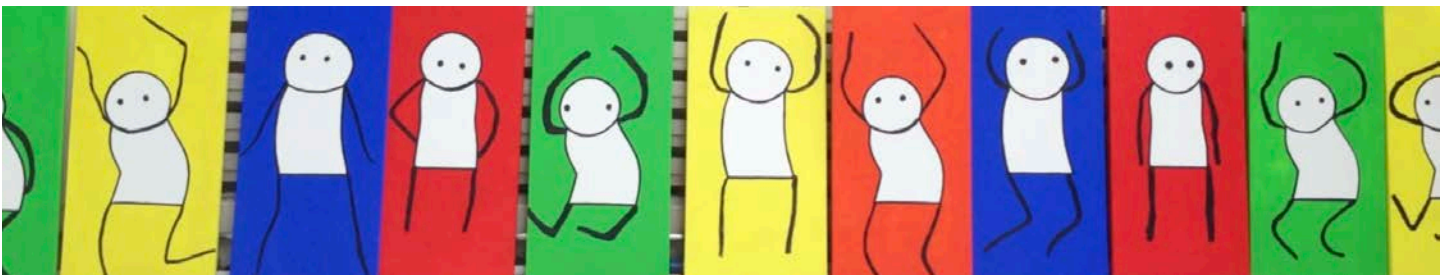

We will display our wonderful artwork and enjoy lunch together.

Throughout the camp we will be baking goodies to sell at the fun fair, making our own posters and decorating them and the older children will learn about manning a stall and giving change.

On the last day of the camp we will hold a funfair in school with a sausage sizzle, sandwiches, and our baked goods all on "sale". Children will get to see all their artwork displayed in the garden and "purchase" lunch and yummy treats, and eat a wonderful lunch together enjoying the lovely food made by themselves and their friends.
